

# PESN: Peer Support Programme (PSP)

Unique training program for our Ambassadors run by a trained bereavement counsellor  
Connecting women who have experienced miscarriage with those who currently are.

Thank You for considering to be part of our Pink Elephants Peer Support Program, we need to ask you some questions to find out more about yourself and where you are in your journey and assess your suitability to support other women experiencing miscarriage/s. Some of these questions may be personal but we won't share with anyone outside of our network and they really are to help us to select the right ambassadors for this very special program. Once we have received your form, we will be back in contact in due course to let you know if you have been selected to be part of our Peer Support Program.
